

Our Mission Statement:

“Providing facilities and

support for church plantings

in Jesus' Name.”

Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.

2 Corinthians 9:10,11

SON-BEAM INTERNATIONAL

Serving Our Neighbors
Building for Evangelism And Ministry

It's 94 degrees,
and dusty from the nearby street,
and noisy from the passersby,
but they are still eager
to learn about
Jesus.

Our goal is to help them move
out of the noise,
out of the dust,
out of the heat,
and into a place
of their own.

How We Got Started

We are a group of committed Christians from West Michigan who recently finished a volunteer building project of our own church facility.

Although it was a community-building experience for us, we also realized how much time was taken up in this project—time that was not available for serving the community to which God has called us.

It was this awareness which has led us to offer our services to others in the process of planting churches, whether here in West Michigan, or around the world.

As we partner with these church-planting churches, they are then freed to continue in and further develop the ministries that are necessary to reach their communities for Jesus.

Our Prayer is to:

- glorify God in all things
- create partnerships with indigenous churches so that they maintain ‘ownership’
- work through qualified organizations already in these countries to ensure ongoing accountability and communication
- use all the resources entrusted to us in a responsible and stewardly manner
